The account incurred a loss in this first account period of \$1,955.14, which was more than the receipts from dividends, etc., during this period.  Examiner notes that the Court order does not appear to include authorization of these types of investments.  Need clarification with reference to Petitioner's duty to manage the estate in interest-bearing, insured accounts (Probate Code §2453, Duties, etc.).  The Court may also require bond, including cost of recovery pursuant to Probate Code §2320(c)(4) and Cal. Rules of Court 7.207, of \$64,085.41 as a blocked account does not protect from losses on investments.

File 3A - Clark			

Page 2**Declaration of Lisa Horton in Support of the First Account and Report of Guardian states:**

- The Court asked how the investments complied with the requirements of §2574, and why there was a loss if the assets were ordered to be deposited in a blocked, interest-bearing, insured account per §2453.
- Ms. Horton had previously informed Eric Stine, Vice President of Wedbush, via email on 11-8-12 and telephone on 11-13-12 that the court has several issues with the guardianship estate assets and the loss of value on those assets. She asked Mr. Stine to draft a letter explaining the nature of the account and investments and address the loss to provide an explanation to the Court at the next hearing on 12-5-12. However, a letter was never received.
- At the 12-5-12 hearing date, the matter was continued to 1-23-13 for further explanation and the possibility of surcharge against the guardian.
- Attorney Horton states that on or about 6-7-11, she provided Wedbush a copy of the guardianship order and stated that the account must be in compliance with Probate Code §2574. The receipt for blocked account was signed by the sales office supervisor at Wedbush on 9-1-11. Wedbush was aware that the guardianship assets were to be deposited and invested pursuant to both Probate Code §§ 2453 and 2574. Attorney Horton personally spoke with Eric Stine on 4-6-11 and he told her that he has six guardianship accounts with Wedbush and was familiar with the Probate Code and requirements. However, it was subsequently discovered that guardianship account does not comply with both sections.
- Despite her attempts, Eric Stine will not discuss the account with Attorney Horton any longer and did not provide his counsel's information as requested.
- An analysis of the account shows \$29,000.00 in taxable bonds. §2574 authorizes investments in direct obligations of the United States maturing no later than five years from the investment. According to bank statements, the bonds in the account mature in 2016, 2017, and 2018. As the initial date of investment was 2011, there are two sets of bonds that do not mature within five years of the investment.
- The other portion of the account is made up of various equities. The fact that the account is subject to a blocking order does not completely negate §2574. If an account is blocked, then there are no withdrawals or deposits without court order. §2453 requires interest-bearing, insured account. This does not prevent a guardian from investing pursuant to §2574.
- Attorney Horton believes any assets not invested in bonds per §2574 must be placed into an interest-bearing, insured account. Although §2574 allows for investment in "securities listed on an established stock or bond exchange", without the ability to buy, sale, trade or liquidate pursuant to the blocking order, securities could not effectively be managed.
- Attorney Horton believes the best way to bring this guardianship account into compliance is to liquidate the equities and deposit the proceeds into a blocked CD with an insured financial institution. The taxable bonds should be kept as is to prevent unnecessary losses, and as they mature, the proceeds should be deposited into the blocked account with the other funds.
- The guardian relied in good faith on the representations of Eric Stine and Wedbush. Attorney Horton believes that a surcharge order against the guardian is not necessary as Wedbush did not comply with the court's order.

**Status Report filed 2-5-13 states** on 1-30-13, a letter was sent via mail and email to Eric Stine at Wedbush. An email response was received the same day stating that court order or power of attorney is required for trading authorization from the attorney. On 1-31-13, Guardian Mark Clark communicated that he is informed and believes there will be no fees associated with liquidation of non bond assets, but that Wedbush requires court order. Order After Hearing for the 1-23-13 hearing was filed 2-8-13.

<b>Age: 8</b>		<b>MARK L. CLARK</b> , Father and Guardian of the Estate, filed his First Account for Account period: 4-21-11 through 4-30-12. <b>NEEDS/PROBLEMS/COMMENTS:</b>	
7. Pursuant to Probate Code §2640(a), a petition for attorney fees may be brought after the filing of the I&A, or any other period of time as the court for good cause orders. In this case, only a <u>partial</u> I&A has been filed.  The Court may require clarification regarding good cause for bringing this petition prior to the filing of the Final I&A, and also prior to the filing of the first account, as is usual practice in this Court pursuant to Local Rule 7.16.	
8. Petitioner states the sum of \$117,353.88 is currently on deposit, and this amount is reflected on the Partial I&A filed 12.18.12. With reference to §2640 and #1 above, the Court may require further information for this file regarding what additional assets are expected for each minor. (The original petition indicated \$0 for the estimated estate value.) At this time, a status hearing is set for 12-6-13 re: receipt of assets from estate.	
9. Need Order, plus Order for Withdrawal of Funds from Blocked Account (MC-358).
